Director Lambert noted that we may have a separate meeting to go over the budget in the next couple of weeks.

Item 12- Attorney Update

Attorney Evers came before the Board to give an update on the lawsuit that the IDA is a party of. A hearing was held last week and the outcome of the hearing was that bank statements and canceled checks will be made available by Continuum Labs.

Also mentioned was the Attorney General opinion that was received. It had answered the question regarding finding one in our audit that was done by the Auditor General and chapter 159 of the Florida Statutes. The IDA can enter into contracts to foster and promote economic development.

Attorney Evers also discussed the removal process of Board members. Chapters 159 and 189 contradict each other. It has been discussed in a BoCC meeting that he (Attorney Evers) may be directed to seek an Attorney General opinion regarding this matter.
