Item 4.1. Mauldin & Jenkins- FYE 2017 Financial Statements

Trey Scott, with Mauldin and Jenkins, came to present the Annual Financial Report for Fiscal Year ending 9/30/2017. He was pleased to announce that they have issued an unmodified opinion. There were no findings and no audit adjustments to be made or past adjustments. Nothing needed to be corrected. There were no disagreements with management. None of the new GASB standards should affect us.

Vanessa Hernandez made a motion and was seconded by Calli Ward to approve the Annual Financial report for fiscal year ending 9/30/2017.

Item 4.2. Director Evaluation 2017

Kristi Schierling reviewed Bill's evaluation results with the Board. His overall score was a 4.06 out of 5. The scoring was from a 0-5 with 5 being the highest. Kristi also read through each of the comments sections. After the performance review, Bill gave his comments to the Board. He stated that there are no rules for the job we do here and does not understand why the members serve on this board because of the amount of abuse that is given. We are in a unique, tough situation trying to create economic development in the County. He stated that we have a great relationship with the Board of County Commissioners and Mike Thompson specifically. Bill also thanked the board members for their time and effort spent on this board and mentioned that we need one more. Bill also thanked Sarah, Kristi, Charlie and Ken.

Gene Davis thanked Bill and staff for the work they do.

Item 4.3. Debut Development Lease

Debut Development has finished their EDA grant. The lease that we will have with them is almost complete. It is not ready for approval yet. We currently have a contract with them for fill line management. If we cancel their management contract and move them to a lease agreement, we would like them to go ahead and purchase the fill line equipment at some rate with job creation credit going towards the purchase price. The IDA owns the building and all equipment inside. We need to discuss terminating the management contract with them and go to a lease contract.

Before any further discussion was had, Lory Durrance abstained from the discussion and any voting that may take place due to the conflict that his employer may have with Debut Development or its principals.

The equipment is valued at approximately around \$250,000. They currently have around 20 employees and they are all from Hardee County. Debut Development is currently using about 12,000 square feet with the majority being warehouse space. We will have a provision in the lease about the equipment not leaving Hardee County and having a lien on the equipment.

It was the consensus of the board to move forward with the lease and draw up a document for equipment purchase with job performance criteria. It will be a term lease and the lease payments will be synched up with

the payment schedule on the equipment. It was also a consensus that we go ahead with the canceling of the management contract.

Item 4.4. Hardee Fresh Discussion

Halton Peters was here this month to discuss his building. His financing entity would like to have a first mortgage on the building. In order to do that, we would like to sell the building to Hardee Fresh for \$1,250,000. We have approximately \$1,700,000 in the building now and would like to take a 2nd mortgage out on the difference which would be around \$500,000 and would be retired with his job creation over a reasonable period. For each job over 12, a 4.2% increase per job will be given. That means with 13 jobs he would get 54.2% towards his \$500,000 being retired. It would be a ten year term. If the board agrees, this would be the terms of the agreement. We do not necessarily need a contract if we are ready to close. We will have a contract for the \$500,000. The IDA will maintain the insurance through the date of closing.

Lory Durrance made a motion and was seconded by Tommy Watkins to authorize the sale of the building to Hardee Fresh for \$1.25MM and hold a 2nd mortgage in the amount of \$500,000 with the thresholds described today and to allow the Chair to sign all documents.

| MOVER: | Lory Durrance, Board Member |
| SECONDER: | Tommy Watkins, Vice-Chairman |
| AYES: | Davis, Watkins, Green, Durrance, Ward, Hernandez |

Item 4.5. PFM Update

We have spent an interesting last 30 days on intellectual property. The equipment collateral is closer to \$1.2 million instead of the previous amount we had been told. The IP has been much more difficult to get our arms wrapped around. We have hired an IP attorney from GreyRobinson in Orlando. He has done a reaally good job on helping us through this. We are comfortable that they will be able to move forward with reasonable proof that their IP is their IP. Kevin Minds has been officially been appointed to act in the place of Shawn's wife. We are hoping to move forward by next week. If everything goes well, we should be able to let them start drawing the line of credit by next week. No action was needed today.

5. Project Updates/Chair Updates

Florida Hospital has requested their last draw in the amount of \$300,000. EDC staff has met with the company that owns FINR and they seem to be interested in the old hospital. Denise Grimsley has a large amount of contacts that we could use if needed for the old hospital. We have Caresync's floor plan for the old Winn Dixie building. They will be using about 21,000 square feet. Dave Brown, with EZ Products, would like the middle portion of the building. SFSC is ready to begin training for Caresync. The EDA change passed both the House and Senate. The CF money is divided into 75% being allocated for education and 25% is for recreation. We or Caresync could apply for this money for the training of their employees. Director Lambert brought up placing a 90 day hold on the services of Tucker Hall. We are not certain we have defined what we need them to do. Tommy Watkins made a motion and was seconded by Vanessa Hernandez to place a hold on Tucker Hall's contract for services. Motion passed.

Director Lambert brought up that Jim See has overspent on his project. Lory Durrance abstained from the discussion and any voting that may take place due to the conflict that his employer may have with West Park Place or its principals. Chastain Skillman has provided alternate bids regarding the roundabout for the Carlton Street extension. The property owners should pay for this. We will go to the EDA for this at a later date. MLK extension is moving forward great. A local entity is interested in the Techriver building. Director Lambert hopes that Peace River Center would be able to use it. We have planted the olive trees in the SFSC test plot. Our hops are doing nicely. The pongamia had some cold damage. We spoke with Durango Systems and their financing entity. We have asked them for a letter of assurance for the financing capital and have asked them for a \$500,000 escrow.

In the event of a default made by Tenant in any of the other covenants or conditions to be kept, observed and performed by Tenant, Tenant shall have thirty (30) days after receipt of written notice thereof to cure such default. In the event that the Tenant shall fail to cure any default within the time allowed under this paragraph, Landlord may declare the term of this Lease ended and terminated by giving Tenant written notice of such intention, and if possession of the Leased space is not surrendered, Landlord may reenter said premises. Landlord shall have, in addition to the remedy above provided, any other right or remedy available to Landlord on account of any Tenant default, either in law or equity. Landlord shall use reasonable efforts to mitigate its damages.

Condemnation

If any legally, constituted authority condemns the Building or such part thereof which shall make the Leased space unsuitable for leasing, this Lease shall cease when the public authority takes possession, and Landlord and Tenant shall account for rental as of that date. Such termination shall be without prejudice to the rights of either party to recover compensation from the condemning authority for any loss or damage caused by the condemnation. Neither party shall have any rights in or to any award made to the other by the condemning authority.

Tenant accepts this Lease subject and subordinate to any mortgage, deed of trust or other lien presently existing or hereafter arising upon the Leased space, or upon the Building and to any renewals, refinancing and extensions thereof, but Tenant agrees that any such mortgagee shall have the right at any time to subordinate such mortgage, deed of trust or other lien to this Lease on such terms and subject to such conditions as such mortgagee may deem appropriate in its discretion. Landlord is hereby irrevocably vested with full power and authority to subordinate this Lease to any mortgage, deed of trust or other lien now existing or hereafter placed upon the Leased space of the Building. Tenant agrees that it will from time to time upon request by Landlord execute and deliver to such persons as Landlord shall request a statement in recordable form certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as so modified), stating the dates to which rent and other charges payable under this Lease have been paid, stating that Landlord is not in default hereunder (or if Tenant alleges a default stating the nature of such alleged default) and further stating such other matters as Landlord shall reasonably require.

One or more waivers by Landlord or Tenant shall not be construed as a waiver of a subsequent breach of the same covenant, term or condition.

Memorandum of Lease

The parties hereto contemplate that this Lease should not and shall not be filed for record, but in lieu thereof, at the request of either party, Landlord and Tenant shall execute a Memorandum of Lease to be recorded for the purpose of giving record notice of the appropriate provisions of this Lease.

Headings

The headings used in this Lease are for convenience of the parties only and shall not be considered in interpreting the meaning of any provision of this Lease.

Successors.

The provisions of this Lease shall extend to and be binding upon Landlord and Tenant and their respective legal representatives, successors and assigns.

Consent

Landlord shall not unreasonably withhold or delay its consent with respect to any matter for which Landlord's consent is required or desirable under this Lease.

Performance

If there is a default with respect to any of Landlord's covenants, warranties or representations under this Lease, and if the default continues more than fifteen (15) days after notice in writing from Tenant to Landlord specifying the default, Tenant may, at its option and without affecting any other remedy hereunder, cure such default and deduct the cost thereof from the next accruing installment or installments of rent payable hereunder until Tenant shall have been fully reimbursed for such expenditures, together with interest thereon at a rate equal to the lesser of 3 percent (3%) per annum or the then highest lawful rate. If this Lease terminates prior to Tenant's receiving full reimbursement, Landlord shall pay the un-reimbursed balance plus accrued interest to Tenant on demand.

Compliance with Law
